VIGNAMAGGIO

Nestled on the Chianti hills between forests and streams, Vignamaggio is an organic farm, with an historic wine cellar in operation since 1404.

Halfway between Florence and Siena, Vignamaggio appears, in an uncontaminated landscape of streams, forests and ancient hamlets scattered on the hills surrounding it.

Vignamaggio is an estate with magnificent gardens, forests and agricultural land that covers over 400 hectares on the hills between Greve and Panzano in Chianti.

The heart of the estate is its renaissance villa, built in 1300 by the Gherardini family, and surrounded by gardens that fill the spaces between rows of cypress trees, vineyards and olive groves.

L'ORTO DI VIGNAMAGGIO

Set in the heart of the estate, L'Orto di Vignamaggio is a farmhouse surrounded by greenery, on the silent banks of the Greve river.

Surrounded by a simple and lush garden, the charming stone hamlet is ideal for families and groups of friends who want to enjoy the tranquillity of the countryside in complete privacy.

L'Orto di Vignamaggio is available for weekly rentals.
